

# ARE YOU LEADING WITH PURPOSE?

- Our organization **fulfills deep-seated needs of our customers**, not just their wants or desires.
- Our **customers would be genuinely distraught** if we ceased to exist.
- Our investments and R&D priorities** reflect a higher purpose beyond profits.
- We have a **clear vision** of how the world would look if we fulfill our purpose.
- Our **employees find intrinsic satisfaction** in their work that goes beyond the salary that they earn.
